and must be paid at least one week prior to program day.

Choose from these ten educational programs!

Engineering Today!

Imagine yourself as an engineer for a day! Discover the ways engineers communicate with one another – then design, build, and test your team’s inventions from everyday items!

Tues., June 7 ▪ 10:00 a.m. – 2:00 p.m. ▪ Cost: \$15.00
Age: 10 and up ▪ Class Size: 15 ▪ Registration Deadline: May 31

Burritos From Nebraska?

Discover how the ingredients and items to make your perfect burrito are a part of Nebraska agriculture! By the end, you will have made a burrito that you will be able to eat before you head home!

Mon., June 13 ▪ 10:00 a.m. – 1:00 p.m. ▪ Cost: \$15.00
Age: 8 and up ▪ Class Size: 15 ▪ Registration Deadline: June 6

Garden Sprouts “Yard to Table”

Follow the steps from growing your seeds to harvesting produce to cooking or canning in the kitchen. Gain experience to find out what you would need to know to do with your own garden produce.

Tues., June 21 ▪ 9:00 a.m. – 12:00 p.m. ▪ Cost: \$15.00
Age: 8-13 years ▪ Class Size: 12 ▪ Registration Deadline: June 14

Discover More About You!

Were you born to be a leader? Were you born to be an entrepreneur? Enjoy learning what makes you special – you may just be what the future of Nebraska agriculture is looking for!

Mon., June 27 ▪ 9:00 a.m. – 12:00 p.m. ▪ Cost: \$15.00
Age: 10 and up ▪ Class Size: 15 ▪ Registration Deadline: June 20

Bringing BioTech to Life Series

Discover how genetics, biotechnology and food come together. Your mind will be amazed! A special showcase of youth’s findings will occur on July 8th from noon to 1 pm for family members.

July 6, 7, and 8 ▪ 9:00 a.m. – 12:00 p.m. ▪ Cost: \$40.00
Age: 12-16 years ▪ Class Size: 15
Registration Deadline: June 29

What Killed Bessie?

Test and use your science skills to discover what happened to your heifer Bessie!

Thurs., June 9 ▪ 10:00 a.m. – 2:00 p.m. ▪ Cost: \$15.00
Age: 10 and up ▪ Class Size: 15 ▪ Registration Deadline: June 2

Cool Beans

How many ways can beans be used? Enjoy a morning tying art, games, growing, and cooking all to beans!

Thurs., June 16 ▪ 9:00 a.m. – 12:00 p.m. ▪ Cost: \$15.00
Age: 8-13 years ▪ Class Size: 12 ▪ Registration Deadline: June 9

Agriculture Through a Toddler’s Eyes

OINK
MOO
BAAA

Oink, Moo, Baa – the sounds of animals every child should know. But do they? Explore the world of agriculture and ways to teach toddlers.

Fri., June 24 ▪ 9:00 a.m. – 12:00 p.m. ▪ Cost: \$10.00
Age: 8 and up ▪ Class Size: 15 ▪ Registration Deadline: June 17

Stars and Stripes

Get ready to celebrate the 4th of July through Firework Art, Confetti Launchers, Outdoor Games & Flag Cake.

Wed., June 29 ▪ 9:00 a.m. – 12:00 p.m. ▪ Cost: \$15.00
Age: 8-13 years ▪ Class Size: 12 ▪ Registration Deadline: June 22

Mobile Video Production by You

Find out how you can use your mobile device to shoot, edit and export professional looking videos for the web. Bring your phones and tablets to make your first video on location!

Tues., July 12 ▪ 9:00 a.m. – 3:00 p.m. ▪ Cost: \$20.00
Age: 12-16 years ▪ Class Size: 15 ▪ Registration Deadline: July 5
